

### Why It Is a Good Family Medicine

From its splendid formula, its superb blood purifying qualities, its prompt tonic effects, and above all its unequalled record in practical use by three generations, Hood's Sarsaparilla is the favorite medicine in many homes. If you need a good family medicine why not get the best, that which has been known to the people of America for half a century—that made your mothers and grandmothers well and that is reasonably sure to do you good? You know Hood's. Get it today.

### NEW YORK FANS ARE CONFIDENT

Feel That Both the Major League Pennants Are Theirs

TEAMS NEED TO WIN HALF OF GAMES

St. Louis Browns and Pittsburgh Pirates Have But Slim Chance

New York, Sept. 23.—Take it from New York's baseball fandom, the major league pennant races are "all over but the shouting."

Mathematically speaking, the St. Louis Browns in the American and the Pittsburgh Pirates in the National have a chance to overhaul their Gotham rivals, but it's a slim chance.

The Giants, with ten more games to play, were leading by four and a half games to-day as a result of defeating Pittsburgh 8 to 7 in a sensational hand to hand struggle upon which the last tangible hopes of the Pirates rested.

The Yankees with six games yet to play, downed Cleveland, 9 to 3, for their fifth straight victory, and kept a lead of three and a half games over the Browns, who defeated Philadelphia, 11 to 5.

The New York clubs need win but

It's toasted. This one extra process gives a delightful quality that can not be duplicated

### STRIKERS AGREE TO RETURN

On the New York Central System at Rochester.

Rochester, N. Y., Sept. 23.—Four hundred striking shopmen of the New York Central system yesterday afternoon agreed to return to work under the terms of the Baltimore settlement, union and railroad officials announced. The decision was made by the men after a stormy session.

How to can tomatoes so they'll stay firm and solid

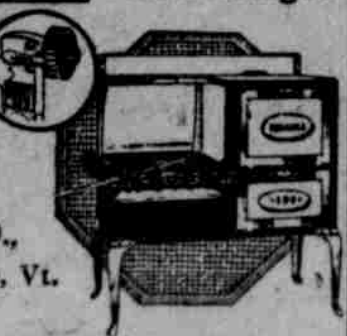

To can Tomatoes  
The easy Lorain way  
Select solid ones, scald enough to loosen skins. Dip in cold water, core and peel. Pack whole, to within 1/2 inch from top of jar. Add no water. Add one teaspoon salt (for quart). Place scalded rubbers in position. Adjust lid loosely. Set Lorain wheel at 250 degrees for 1 hour. Remove and seal tightly when clock rings.

READ the recipe printed above. Tomatoes canned this way retain their shape and firmness so perfectly that you can quarter them for salads next winter! And they keep that fresh-from-the-garden taste. This is the result of canning them the Lorain way.

All fruits and vegetables are put up as easily as tomatoes. All keep their fresh taste, their color, and shape. It is done with so little work, and without any "pot-watching" whatever. Thousands of women enjoy this easy method every summer. Why not you?
